

Springfield Parks

Urgent: We Need Your Support

Urgent- Reasons to VOTE this November:

1. In recent years, the Springfield Township general fund has seen an annual loss of over \$800,000 in state support.
2. **Springfield Parks has never had a levy, but now it is critical in order to provide adequate, reliable funding for operating costs.**

Small Request - How much will this cost me?

1. A proposed 1.3 mill, 5-year levy will cost the owner of a \$100,000 home just \$45.50 a year or **\$3.79 a month**

Great Value - Funds will allow Springfield Parks to:

1. Maintain and repair existing parks and trails
2. Maintain existing senior activities and programs
3. Continue Friday concerts and Lakefront Park family events
4. Secure grants for **future** projects at the Springfield Athletic Complex, Dallas Fraley Park, Pressler Park, Lower Park and Lakefront Park

Vote YES on November 7!

Springfield Township Parks End of Year Events

Holiday Lights on the Lake December 1

All events will be held a Lakefront Park.
